Lives United & Our 150th Anniversary Season

Lives United: Music, Arts, and Community is dedicated to bringing people together through the arts, creating opportunities for connection, inspiration, and community. Through our Concert Series, we offer free, accessible artistic programming so that everyone has the opportunity to experience the joy and richness of live performance.

This season is especially meaningful as we celebrate the 150th anniversary of the Church of Our Saviour. For a century and a half, this congregation has been a place of welcome, faith, fellowship, and service. We are honored to mark this milestone by continuing that tradition of gathering people together and by sharing the gift of music with our wider community.

Thank you for being part of this celebration and for helping us carry this spirit of community into the next 150 years.
